

Visor Cleaner

Technical Datasheet

Create Date: 12.01.2016 - Page 1/1

product in question meets the requested properties are recommended. A claim cannot be derived from them. The user bears the only responsibility for non-appropriate or other than specified applications.

Health and Safety

When using WEICON products, the physical, safety technical, toxicological and ecological data and regulations in our EC safety data sheets (www.weicon.com) must be observed.

cleaner on the basis of highly active organic solvents

WEICON Visor Cleaner is a special cleaner for the cleaning and care of sensitive plastic and glass surfaces. It is antistatic and antireflective, reduces dazzling, and improves the view.

WEICON Visor Cleaner gently removes contamination caused by insects, dirt, dust, grease and nicotine without leaving streaks.

Visor Cleaner can be used on all kinds of visors, on welding face shields, safety goggles, vision protection, safety glass, plastic housings on CNC machines, printers, scanners, etc., and on all other plastic and glass surfaces.

Technical data

Colour	white
Odour	almost odourless
Temperature resistance	--- °C
Shelf life (minimum)	24 months
Special features	Cleaning without residues and neutral to surfaces

Processing

Shake can before use. Spray Visor Cleaner onto the surface, let it work for approx. 20 seconds, then wipe it off. On sensitive surfaces or electrical appliances, spray Visor Cleaner onto a soft, lint-free cloth and clean the surface with light pressure. Repeat process if necessary. Make sure that the material does not penetrate into the inner parts of electrical appliances. Only for cleaning switched-off and cooled-off appliances (pull out mains plug).

Storage

Pressurized container: protect from sunlight and do not expose to temperatures exceeding +50°C.

Note

The specifications and recommendations given in this technical data sheet must not be seen as guaranteed product characteristics. They are based on our laboratory tests and on practical experience. Since individual application conditions are beyond our knowledge, control and responsibility, this information is provided without any obligation.

We do guarantee the continuously high quality of our products. However, own adequate laboratory and practical tests to find out if the
