

# Spray-on Grease with MoS<sub>2</sub>

## Health and Safety

When using WEICON products, the physical, safety technical, toxicological and ecological data and regulations in our EC safety data sheets ([www.weicon.com](http://www.weicon.com)) must be observed.

high pressure resistant

WEICON Universal Spray-on Grease with MoS<sub>2</sub> is a high-pressure resistant and strong long-term lubricant which reduces friction and wear for prolonged periods.

WEICON Universal Spray-on Grease with MoS<sub>2</sub> is suitable for rolling and slide bearings, joints, levers, sliding guides, spindles, camshafts, spline shafts, springs, exposed gears and worm gears and at all sliding speeds permitted for grease lubrication.

WEICON Universal Spray-on Grease with MoS<sub>2</sub> can be used in the industrial and building sectors, in rolling mills, machine tools, agricultural and construction machines and in road and rail vehicles.

## Technical data

Colour	black
Odour	almost odourless
Temperature resistance	-20 bis +120 °C
Shelf life (minimum)	24 months
Special features	high-pressure resistant

## Processing

Clean surfaces. To ensure perfect spraying the product should have room temperature. Shake can before use until mixing ball is heard. Spray on at about 15 cm from surface.

## Storage

Pressurized container: protect from sunlight and do not expose to temperatures exceeding +50°C.

## Note

The specifications and recommendations given in this technical data sheet must not be seen as guaranteed product characteristics. They are based on our laboratory tests and on practical experience. Since individual application conditions are beyond our knowledge, control and responsibility, this information is provided without any obligation.

We do guarantee the continuously high quality of our products. However, own adequate laboratory and practical tests to find out if the product in question meets the requested properties are recommended. A claim cannot be derived from them. The user bears the only responsibility for non-appropriate or other than specified applications.
